Unmatched Expertise

## Defense Financial Management Workforce Solutions

As the exclusive training partner for the **Society of Defense Financial Management (SDFM)**, our solutions will help you stay ahead of certification

requirements, regulatory realities, and emerging trends. From our newly updated Enhanced Defense Financial Management Training Course (EDFMTC) to classes designed to refresh your understanding of the Certified Defense Financial Manager (CDFM) credential prior to the certification exam, you're certain to find the thought leadership on the subjects and challenges that concern you the most. And since our courses and certification tracks are designed by federal financial management professionals specifically for federal defense financial management professionals – you'll truly find the training you need to accelerate your career momentum.

### Boost Your Professional Credentials

## Professional Certification Training Solutions

Achieving and maintaining certifications like **CDFM**, **CIA®**, and **CGFM®** is essential for career advancement in financial management. Management Concepts emphasizes instructor-led training (ILT) and proven exam prep tools to help professionals succeed.

Invest in your future—master your certification goals with the right tools and training.

# Enhanced Defense Financial Management Training Course

*EDFMTC Exclusively from Management Concepts*

We've completely reimagined our Enhanced Defense Financial Management Training Course so that members of the Defense Financial Management community will be able to leverage our unmatched proficiency to power their careers forward at their agencies and organizations.

More  
**Instructor Time**

More  
**Exam Preparation**

More  
**Practicality**

## Module 1: **Resource Management Environment**

This two-day module reviews the government resource management environment, manpower management, management's responsibility for enterprise risk management (ERM) and internal control (IC), and fiscal law. Exam preparation includes both traditional and digital study materials.

## Module 2: **Budget and Cost Analysis**

This three-day module focuses on reviewing the key concepts of the DoD's budget process through the planning, programming, budgeting, and execution (PPBE) process, as well as covering fiscal law as it relates to DoD financial management. Exam preparation includes both traditional and digital study materials.

## Module 3: **Finance and Accounting**

This two-day module reviews the operations within the finance office, federal accounting, financial reporting, government auditing and dive deeper into appropriation law principles. Exam preparation includes both traditional and digital study materials.

## Module 4: **CDFM-A Exam Module**

Prepare fully for the CDFM-A exam with this additional, optional, two-day module to gain a comprehensive overview of major defense system acquisition rules, using concepts from the Defense Acquisition Guidebook and DoDI 5000.02T.

# Maximize Your Training Dollars

Receive all the training you need

Management Concepts offers cost-saving training packages that allow you to receive the most training for your money in a single transaction.

## Certificate Program Account (CPA)

Save up to 40% compared to the standard open enrollment certificate program price, all through one simple, convenient transaction.

## Training Credit Account (TCA)

If your organization has a training budget but needs flexibility in course selection, the TCA lets you prepay and gain up to 20% additional value.

## Bulk Course Purchase Discount

Get discounts of 5% to 22% on open enrollment courses when you purchase 5 or more seats in one transaction. Seats can be shared across classes and employees.

## Private Group Training

For groups of 12 or more, private classes are the most cost-effective option. Customize or combine courses to fit your needs, delivered virtually or in-person at your location.

Learn more: [ManagementConcepts.com/Buying-Options](https://ManagementConcepts.com/Buying-Options)  
Our representatives can help you determine the best vehicle for your group purchase. Call us at **888.545.8571**.

## Beyond Defense Financial Management

As the federal government's leading provider of training and workforce development solutions, we provide essential resources to enable professionals to reach their full potential. Rely on us to deliver unmatched solutions across the following professional areas:

- Acquisition and Contracting
- Analytics
- Federal Human Resources
- Grants & Assistance
- Leadership and Management
- Project and Program Management
